Sunday May 28th was when the Cottenham Colts annual tournament was held. With restrictions in previous years, this time it was one of our biggest we have held, with over 100 teams taking part, nearly 300 games and over 600 goals scored! (Thanks Karl for the stats!)

The weather was perfect for both days. Saturday morning involved volunteers and coaches preparing the equipment and then an early morning start Sunday followed by a long day for some setting up, taking part and clearing away.

The tournament was held in good spirits with all clubs and supporters following the RESPECT guidelines and enjoying themselves on the day. It was all about enjoyment and taking part and

the children loved it...!

A special thank you goes out to the Primary School and Parish Council for allowing us the use of the grass and village hall, Jez with his manic printing issues but getting the programmes ready on time, all the sponsors who contributed to the day, this is greatly appreciated by the club, the coaches and volunteers for giving up their time and helping over the weekend, and a special thank you to Tim Pheasant for organising with support and guidance from Karen Celentano, without you two, this wouldn't have happened in this way...!!

See you all next year.... please feel free to contact the club if you wish to support us or any of the teams in anyway.

Here come the girls!

As we write this article the England Women's team have just won their semi-final game against Sweden with a 4-0 victory and what a back kick! Girls' football is finally getting the respect that it deserves and we at Cottenham Colts, hope to be a small part of that revolution. We have recently partnered with #hegarnettes, who are a voluntary organisation run by female football fans. They are committed to growing the campaign with the aim of fostering an ethos in football in which women are welcomed and respected equally. With six girls teams and a thriving Wildcats centre, we love to see girls of all ages enjoying the game that we all love. May we also add that our girls' teams are faced to be reckoned with, with our U17 girls reaching the finals and our U14s winning their league without a single loss all season. We want to congratulate the Lionesses on a fantastic tournament and want to thank them for being an inspiration to so many.

SunSkips rises to challenge at Cottenham Colts' tournament

June 15, 2022

SunSkips made Cottenham United Colts' tournament extra fun with a skip donation to help raise funds for the youth football club. Organizers used the **award skip** as part of a "chip the skip" game, offering participants the chance to show off their skills by kicking the ball into the container from a distance. The game raised £175 at the event - held at Cottenham Recreation Ground on Lambie Lane - on Sunday 29th May.

Cottenham United Colts FC is celebrating after scoring an £800 sponsorship with homebuilder, Tilia Homes Eastern.

The 2020 winner of the Cambridge FA Grassroots Football Club of the Year award is just a short distance away from its Kings Park development, on Rampton Road, and has purchased new training kits for the U15s girls' team and an away kit for the U14s boys' team with the funds.

David Thomas, sales and marketing director for Tilia Homes Eastern, comments: "Here at Tilia Homes, we're committed to building simply more than houses but a thriving community for all residents, not just our homeowners."

"Cottenham United Colts FC is a shining example of the positive impact sport can have from a young age, encouraging fitness and wellbeing, as well as being a part of a successful team, and we couldn't be prouder to help the club provide the best kits possible for its teams. With our Kings Park development set to open its doors early next year, and a number of family homes available to buy, we expect that lots of new residents will be excited to join the award-winning club."
